texts of both fields that established the performativity of perception and cognition, Performance and Phenomenology continues a tradition that considers experience to be the foundation of being and meaning.

### **Performance and Phenomenology: Traditions and ...**

The phenomenological tradition focuses on the experience of self and others through dialogue. There is the intentional analysis of everyday life from the person actually experiencing it. The phenomenologist is interested in how people perceive phenomenon ;events and conditions. They stress that no two persons experiences are the same.
