The book is an account of Antonia- Marie Antoinette before her marriage to Louis XVI - up until a year after her marriage.

Obviously, the book is based on her diary, if she had one. I thought Marie was simply a selfish, shallow, riches and jewels based woman, before I read the book. Now it's very clear

The Royal Diaries is a series of 20 books published by Scholastic Press from 1999 to 2005. In each of the books, a fictional diary of a real female figure of royalty as a child throughout world history was written by the author. The Royal Diaries was a spin-off of Scholastic's popular Dear America series. While Dear America,
